

PINECONE BIRD FEEDER

Supplies Needed:

- Pinecone
- Peanut butter or Lard
- Disposable gloves (optional)
- Yarn
- Bird seeds
- Plastic knife or spreading utensil

Instructions:

1. Take your pinecone and tie the yarn around the larger end.
2. Once the yarn is secure take a knife or utensil and spread peanut butter and/or lard all over the pinecone. You can use as much as you want. Make sure the peanut butter and/or lard is adhering to the pinecone.
3. Roll the pinecone in the birdseed.
4. Use the string to tie the cone up to a tree or bush for the birds to enjoy
